The Dynamic Word (Part 2)

The Continuing Work of Translating the Bible

7:00 p.m. | May 1 | Dr. Bob Fowler

From its very beginnings, the Anglican relationship with scripture has been influenced by the hopes and tensions of translating the Bible into English. Our understanding of the words in those ancient texts is constantly evolving, as is our own English language. We now have a new "translation" (it's actually a revision) called the "NRSV Updated Edition." What potential for renewed faith might this edition hold for us all?

On Saturday, May 4, we will come together to give our facilities a spruce-up both inside and outside. The day may include such tasks as: trash pickup, planting, pulling weeds, removing dust and debris, etc.

If you're able and willing to help or would like more information, [please contact Becky Fuller](#).
