STEWARDSHIP CAMPAIGN

WITH GLADNESS IN MY HEART

What makes a good stewardship campaign? Money, of course, because it supports all we are able to do here at Trinity. But is money really the most important part? Jesus calls us to be transformed in our hearts and minds. Transforming in this way is a lifelong process that we do in community, through prayer & study, service and through stewardship.

Stewardship isn't always easy but what it does is teach us to trust God to take care of us and help us come to believe more and more that everything we have comes from God and belongs to God. We ask you to give this year to Trinity Cathedral no matter where you are on your stewardship journey. We pray that you will be transformed through giving, service and through your life at Trinity.

May you find Gladness In Your Heart!

With thanks for your ongoing support,
Trinity Stewardship Committee

A Sacred Place for All People

Your gift allows Trinity Cathedral to be the church that God calls us to be.

Giving generously and proportionally is a core Christian practice that deepens our relationships with God and with our community.
